WELCOME TO THE C2S EDUCATIONAL OUTREACH LIVE 2024

**Suzanne Hall-Gibbins &
Angela Edwards**
Co-Founders and Directors

We are thrilled to welcome both students and businesses to this exciting event. Our mission is to create meaningful connections between the next generation of talent and the diverse organisations that make our region thrive.

By showcasing local career opportunities and inspiring young people, we aim to strengthen the future of our businesses, economy, and community.

For students, this is your chance to explore a wide variety of careers, meet professionals from different industries, and discover pathways that could shape your future—whether through further education, apprenticeships, or employment. You'll be able to engage with

businesses across many sectors, from global companies to local enterprises, and find out what opportunities lie ahead for you.

For businesses, today is an opportunity to connect with your future workforce, inspire young talent, and showcase the incredible career opportunities within your organisation. By engaging with students, you're playing a vital role in developing our region's talent pipeline and contributing to the growth of our local economy.

This event is just the beginning. C2S will continue to bring together students and businesses annually, providing an ongoing platform to build relationships and promote opportunities across all sectors. Thank you for being part of today's event and supporting this movement for positive change.

Your feedback is invaluable to us—please use the QR code to share your thoughts about today's experience.

C2S

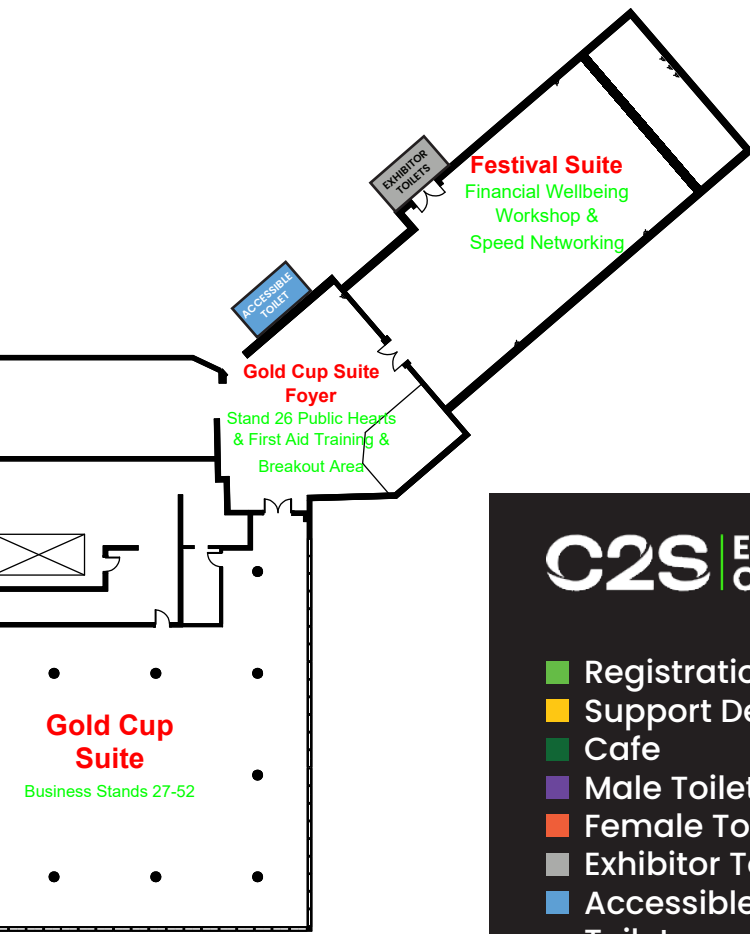

The Growth Consultancy

At C2S, we work with organisations that are committed to business growth, people development, and making a positive impact on the planet. Together, we tackle business challenges head-on, developing solutions which drive success.

A thriving talent pipeline is fundamental to business sustainability, which is why we launched the C2S Educational Outreach Live event. By supporting young people, we're not only investing in the future of our workforce, but also strengthening our local businesses and securing the economic future of our region.

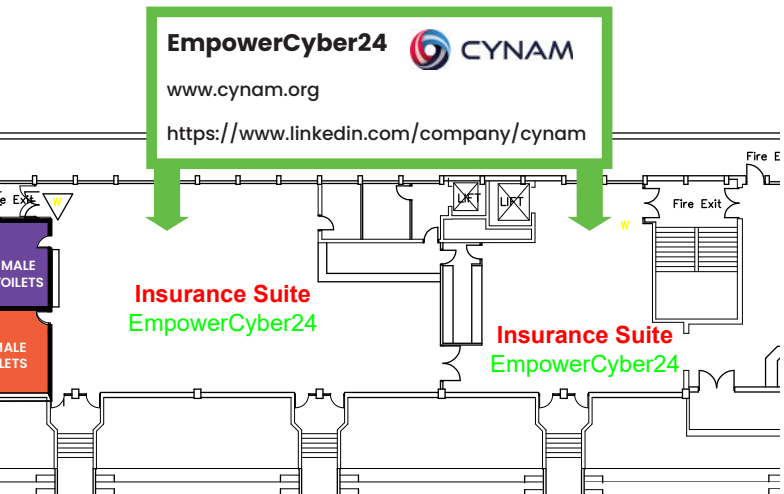

We hope you find today's event inspiring and insightful. Thank you for joining this vital initiative to nurture the growth and success of students, businesses, and the regional economy.
